The School of Psychology invites you to a Special Seminar with

Prof. Michal Schnaider Beeri

School of Psychology, The Interdisciplinary Center, Herzliya
Dept. of Psychiatry at the Mount Sinai School of Medicine, NY
Director of the Joseph Sagol Neuroscience Center at the Sheba Medical Center

On:

”Risk and protective factors for Alzheimer's Disease”

Thursday, November 7th 2013, at 10:00
Faculty room

In this talk I will present an overview of changes in memory processes and capacities that occur in healthy aging and in aging-related neurological. I will describe recent research on factors that increase the risk for developing Alzheimer's disease, as well as factors that decrease the risk.

You are invited!
