The clinical Psychology program at the School of Psychology invites you to a Special Seminar with

Prof. Alan Apter
Psychological Medicine (Mental Health) Clinics, Schneider's Children's Medical Center of Israel

On:

"Suicide in young"

Wednesday, December 3rd 2014, at 14:45
Room PE203, Psychology-Economics building

This talk will relate to suicide in young people emphasizing studies with which I have been involved. It will cover the definitions of the various types of suicidal behaviors and the relationship between them. Social, psychological and biological risk factors will also be covered. Finally we will cover primary, secondary and tertiary forms of prevention.

You are invited!!
