CONDITIONS FOR BOOKING ACCOMMODATION
FOR EXCHANGE STUDENTS STUDYING AT LUISS GUIDO CARLI

To allow the organisation of the service, please find herewith the procedure that students should follow in order to have suitable accommodation arrangements in Rome.

1. The students selected for an exchange at LUISS University who intend to apply for accommodation must attach electronically a signed copy of the housing application form during the on-line application to LUISS University by 31 May.

   Please note: the housing application form will not be processed if the complete on-line application is not submitted by the given deadline.

2. The request must be sent using the appropriate form, filled out in every detail. Incomplete requests will not be taken into consideration. In the case that the precise day of arrival is not known, an approximate date (and not only the month) should be indicated.

3. C.T.S. will send the student a proposal regarding accommodation, indicating the address, monthly cost, name and telephone number of the proprietor.

4. In order to confirm the booking, the student must return the reservation form to CTS and to the proprietor no later than 15 days from the date indicated on the form.

   In some cases, the proprietor may request a deposit before arrival.

5. From the moment in which the student begins to use the accommodation, he/she will be obliged to pay a deposit and a month’s rent in advance. Such deposit will be returned to the student at the time of departure or retained should the student leave the accommodation without notice, or in any case leave the accommodation without valid and demonstrable reasons, or cause damage or make improper use of anything therein contained.

6. The accommodation arrangements are strictly personal.

7. C.T.S. exclusively acts as an intermediate and, accordingly, once the accommodation has been selected, all matters thereafter such as the use of the telephone, the possibility to receive guests, payment of the rent and the like shall be regulated directly between student and proprietor.

8. For any clarification, refer to C.T.S. - Ufficio Erasmus at the address indicated above.

Important! E-mail addresses must be clear since students will receive an accommodation proposal via e-mail. If the offer is not confirmed by the student, the room will be lost and given to another person.
