Once the student is accepted, we will inform their coordinator and post acceptance, housing and visa (if needed) documents to their address.

| Deadlines | For Winter Semester and full academic year: 30th April
For Summer Semester: 15th October
Early applications are strongly encouraged, especially if the student has to apply for a visa. |

English Language Requirements

It is assumed that applicants will have a sufficient knowledge of English to attend classes and write papers in the English language. Students who are not native speakers may be asked to demonstrate their ability to study in English, e.g. by presenting the results of any language tests they have taken. Although we welcome TOEFL and IELTS, they are not necessarily a condition of entry. A real ability to study in English is more important.

Orientation Week

The Faculty of Social Sciences regularly runs an Orientation Program in both winter and summer semester. This program is designed especially for incoming students in order to take care of many practical arrangements related to their studies (registration, student travel passes, access to Charles University libraries, etc.).

| Terms | Winter Semester: 21st September - 27th September 2015
Summer Semester: 8th February - 14th February 2016 |

| International Students Club | Members of the Club meet incoming students during the Orientation Week and guide them around not only through the necessary academic arrangements but also run the “buddy program”, excursions, and other social events. |
Subjects Taught in English

The Faculty of Social Sciences of Charles University has 5 institutes:
- Institute of Political Studies
- Institute of International Studies
- Institute of Economic Studies
- Institute of Sociological Studies
- Institute of Communication Studies and Journalism

The faculty has a strong selection of subjects taught in English in Political Science, International Relations and Economics & Finance. While our selection of subjects in Sociology, Communication Studies and Journalism is not that strong, we will gladly accept students from these subject areas as well.

Registration for Classes

Students can enrol in both Bachelor’s and Master’s degree courses regardless of their academic level. However, the list of the chosen subjects has to be approved by the student’s home Faculty.

<th>Student Information System (SIS)</th>
<th>This search engine is the best source of information about classes, and it also includes information about the student’s status and results. SIS can be accessed under the following link: <a href="http://is.cuni.cz/studium/eng/predmety/">http://is.cuni.cz/studium/eng/predmety/</a></th>
</tr>

</table>

Note

- SIS includes information about classes from all the Faculties of Charles University, taught in all languages. Students have to choose "Faculty of Social Sciences" from the drop-down box, and always double-check the language of instruction and the semester in the course description.
- The student has to pay attention to the last letter of the subject code. The “B” at the end of the subject code refers to the subject taught at the Bachelor level. The “M” stands for the Master’s level.
- Students should take at least half of the courses with the Faculty of Social Sciences.

Czech Language Classes

We offer Czech language classes at various levels, from Beginners to Intermediate. Incoming students are welcome to register for these. However, we must point out that, because these classes are not part of the standard curriculum, they are not financed by the Czech Ministry of Education. We therefore have to make a small charge to cover our costs.
