

Curriculum Vitae
Yair Tauman
December 2014

Personal: Date of Birth : January 20, 1948
Place of Birth : Rechovot, Israel
Citizenship : Israel, Permanent resident of USA (since 1988)

Addresses: Office (Israel) : Arison School of Business and
Zell Entrepreneurship Program
The Interdisciplinary Center (IDC), Herzliya

Office (USA) : Department of Economics,
Stony Brook University
Stony Brook, NY 11794-4384.

Telephone : Home (Israel): 972-3-647-6085
: Office (Israel): 972-9-952-7984
: Home (USA): 1-631-474-5549
: Office (USA): 1-631-632-7557

Fax :
: Office (USA): 1-631-632-7535
Email : amty21@gmail.com

Education:

B.Sc. Mathematics and Statistics (with distinction), 1972, The Hebrew University of Jerusalem, Israel.

M.Sc. Mathematics (with distinction), 1974, The Hebrew University of Jerusalem, Israel. Thesis: *Values of nondifferentiable games*. Advisor: Robert Aumann

Ph.D. Mathematics, 1979, The Hebrew University of Jerusalem, Israel. Fields of Concentration: Game Theory, Values of Non Atomic Games. Thesis: *Values of Games with a Continuum of Players*. Advisor: Robert Aumann.

Awards:

1. Orbach prize in Mathematics, 1974, for distinguished Master Thesis, Jerusalem.
2. Xerox Research Professor, J.L. Kellogg Graduate School of Management, Northwestern University, Evanston, Illinois (1982-1983).
3. 1985 Oded Levin Prize (awarded by the Operations Research Society of Israel) to the paper "An Application of the Aumann-Shapley Prices for Cost Allocation in the Transportation Problems" (1984) by D. Samet, Y. Tauman and I. Zang.

Editorial Responsibility:

Associated Editor of *International Journal of Game Theory* (1991-1994).

Associated Editor of *Games and Economic Behavior* (1990-1992).

Conference Co-Organizer:

1987 – Summer Conferences in Game Theory and Its Applications – The Ohio State University

1988 – Summer Conferences in Game Theory and Its Applications – The Ohio State University

1989 – Summer Conferences in Game Theory and Its Applications – The Ohio State University

1990 – The First Game Summer Theory Festival – State University of New York at Stony Brook

1991 – The Second Game Theory Summer Festival – State University of New York at Stony Brook

1992 – The Third Game Theory Summer Festival – State University of New York at Stony Brook

1993 – (1) The Fourth Game Theory Summer Festival – State University of New York at Stony Brook (2) Game Theory and Economic Applications, Valencia, Spain (June) (3) Chairman and Organizer of the 20th E.A.R.I.E. Annual Conference, Tel Aviv, Israel (September)

1994 – (1) The Fifth Game Theory Summer Festival – State University of New York at Stony Brook (2) Implementation and Issues in Game Theory, Valencia, Spain (June)

1995 – (1) The Sixth Game Theory Summer Festival – State University of New York at Stony Brook (2) Workshop on Strategic Equilibria and Applications, Valencia, Spain (July)

1996 – (1) The Seventh Game Theory Summer Festival – State University of New York at Stony Brook (2) Topics in Game Theory and Applications, Valencia, Spain (June)

1997 – (1) The Eighth Game Theory Summer Festival – State University of New York at Stony Brook (2) Topics in Game Theory and Applications, Valencia, Spain (June)

1998 – (1) The Ninth Game Theory Summer Festival - State University of New York at Stony Brook (2) Communication and Repetition, Issues in Game Theory, Valencia, Spain (June)

1999 – The Tenth Game Theory Summer Festival - State University of New York at Stony Brook

2000 – (1) The Eleventh Game Theory Summer Festival - State University of New York at Stony Brook (2) The Fourth Spanish Meeting on Game Theory and The Eighth Summer Meeting on Game Theory-Valencia, Spain

2001 – The Twelfth Game Theory Summer Festival - State University of New York at Stony Brook

2002 – The Thirteenth Game Theory Summer Festival - State University of New York at Stony Brook

2003 – The Fourteenth Game Theory Summer Festival - State University of New York at Stony Brook

2004 – The Fifteenth Game Theory Summer Festival - State University of New York at Stony Brook

2005 – The Sixteenth Game Theory Summer Festival - State University of New York at Stony Brook

2006 – (1) The Seventeenth Game Theory Summer Festival (2) Workshop on Innovations and Patent Licensing – State University of New York at Stony Brook

- 2007 – The Eighteenth Game Theory Summer Festival – Stony Brook University
- 2007 – A Game Science Conference in Honor of Ehud Kalai, December 16-18, Center for the Study of Rationality, The Hebrew University
- 2008 – The Nineteen Game Theory Summer Festival – Stony Brook University
- 2008 – Scientific organizer of the Workshop on Implementation of Cooperative Solution Concepts - The Nash Program, in Honor of John Nash on the Occasion of his 80th Birthday (joint with David Wettstein)
- 2009 – The Twentieth Game Theory Summer Festival – Stony Brook University
- 2010 – The Twenty First Game Theory Summer Festival – Stony Brook University
- 2011 – The Twenty Second Game Theory Summer Festival – Stony Brook University
- 2012 – The Twenty Third Game Theory Summer Festival – Stony Brook University
- 2013 – The Twenty Fourth Game Theory Summer Festival – Stony Brook University
- 2014- The Twenty Five Game Theory Summer Festival- Stony Brook University
- 2014 - Scientific organizer of the Workshop on Innovations, Patents and Licensing (joint with Rabah Amir and Sen Debapriya)
- 2014 – Scientific organizer of the workshop on Strategic aspects on terrorism, security and espionage (joint with Timothy Mathews)

Employment:

1989-PRESENT: Leading Professor, Department of Economics, State University of New York at Stony Brook; Director, The Center for Game Theory in Economics, State University of New York at Stony Brook

January 1,2009- PRESENT: Academic Director of the Zell program, The Interdisciplinary Center (IDC), Herzliya

January 1,2010 – 2011, Dean, Arison School of Business, The Interdisciplinary Center (IDC), Herzliya

January 2001 – March 2001, Visiting Professor, Kellogg School of Business, Northwestern University

January 1999 – May 1999: Visiting Professor, London School of Economics

1989-2008: Professor, Faculty of Management, Tel Aviv University;

September 1987-1989: Professor, Department of Economics, The Ohio State University and Professor, Faculty of Management, Tel Aviv University

September 1985-December 1985: Visiting Professor, Department of Economics, The Ohio State University

September 1984 – September 1985: Fellow of the Institute of Advanced Studies, The Hebrew University of Jerusalem

June 1984-1988: Professor of the Graduate School of Management, Northwestern University, Evanston, Illinois

January 1984 – Senior Lecturer, Faculty of Management, Tel Aviv University

September 1983 – December 1983 Visiting Professor, Department of Economics, Stanford University

January 1983 – September 1983 Associate Professor of the Graduate School of Management, Northwestern University, Evanston, Illinois

July 1982 – January 1983 Visiting Professor, Department of Economics, Stanford University

1981-1982 - Associate Professor of the Graduate School of Management, Northwestern University, Evanston, Illinois

September 1980 Visiting Assistant Professor for the Graduate School of Management, Northwestern University, Evanston, Illinois

January 1980 Long term scientific visitor of the Institute of Advanced Studies, Mount Scopus, Hebrew University and a member of the mathematical team of Everyman's University, Ramat Aviv, Tel Aviv.

October 1978 – January 1980 Research Associate at C.O.R.E., Université Catholique de Louvain, Belgium

1978 (one month) Institute for Mathematical Studies in the Social Sciences, Stanford University

1977 – 1978 Instructor in the Department of Statistics, Tel Aviv University, Israel

1977 (one month) Department of Mathematical Economics, University of Bonn, West Germany

1976 – 1977 A member of the mathematical team of the Everyman's University, Tel Aviv, srael

1974 – 1976 Assistant, The Department of Mathematics, The Hebrew University of Jerusalem, Israel

1967 – 1969, 1973 – 1974 Service in the Israeli Army

Administrative Responsibilities

1992 – 1993, Chair of the Department of Operation Research in the Faculty of Management, Tel Aviv University

1995 – 1996, Director of the Faktor Entrepreneurial Center, Faculty of Management, Tel Aviv University

1995 – 1996, Director of the Institute of Decision Sciences, State University of New York at Stony Brook

1997 – present, Director of the Stony Brook Center for Game Theory , Stony Brook University

2007 – 2013 Elected member of the council of the game theory society

2009 – present, Academic Director of the Zell program, The Interdisciplinary Center (IDC), Herzliya

2010 – 2011, Dean, Arison School of Business, The Interdisciplinary Center (IDC), Herzliya

Other Professional Services

1. ADVFN (since April 2010). A public company, a provider of financial information, based in London, UK.
2. Bidorbuy.com (since 1999). An online auction (private) company, based in South-Africa.
3. Digi-Block (since 2000). An educational (private) company, based in Boston, USA
4. Radware (since October, 2010). A public load balancing network company, based in Israel.
5. Expobee (Since April, 2009, currently the chairman of the board) .A (private) company, offers an industry tracker, a personal news platform for industry professionals, based in Israel.
6. Bank-Hapoalim (since December 2011)- The largest bank in Israel, a public company, based in Israel.
7. Bizzabo (since August 2012)- A social networking (private) company, provides business communications in conferences and meet-ups, based in Israel
8. Kerem Behar Hanegev (since 2000)- A private company, runs a vineyard and olive plantation, based in Israel

Main Advisor of Ph.D. Students:

1. Yair Zimon, graduated in 1990. Thesis: Middlemen and Efficient Trades.
2. Dachrahn Wu, graduated in 1992. Thesis: Monopolistic Broker and the Threat of a Secondary Market: A Strategic Approach.
3. Yan Chen, graduated in 1994. Thesis: Acceptable and Walrasian Allocations.
4. In Sung Cho, graduated in 1994. Thesis: The Most Favored Customer Policy: A Game Theoretic Approach.
5. Arie Gavius, graduated in 1995. Thesis: Transfer Prices in Complex Organizations.
6. Junichi Watanabe, graduated in 1995. Thesis: Multiproduct Price Competition.
7. Barry Feldman, graduated in 1995. Thesis: Bargaining Power, Values and Coalition Formation with Externalities (joint advisor: Pradeep Dubey).
8. Ram Orzach, graduated in 1995. Thesis: Signalling Reversal.
9. Toker Doganoglu, graduated in 1997. Thesis: Network Competition and Access Charge Rules.

10. Chun-Hsiung Liao, graduated in 1998. Thesis: Bundling in Oligopoly Competition.
11. Chien-Liang Chen, graduated in 1999. Thesis: Collusion in Auctions.
12. Ismo Linnosmaa, graduated in 2000. Thesis: Essays on Product Market Competition and Managerial Incentives in Oligopoly Firms.
13. Timothy Mathews, graduated in 2002. Thesis: Buyout Options in Internet Auction Markets.
14. Abdel-Hameed Nawar, graduated in 2003. Thesis: Essays on Internet Auctions.
15. Debapriya Sen, graduated in 2003. Thesis: Essays on Applied Microeconomic Theory.
16. Giorgos Stamatopoulos, graduated in 2003. Thesis: Essays on Licensing Games.

17. Naoki Watanabe, graduated in 2003. Thesis: Asymptotic Properties of the Shapley Value of Patent Licensing.
18. Yael Itzhaki, graduated in 2004. Thesis: Effects of Gender Composition on Negotiating Parties: A Bi-Cultural Study.
19. Abhijit Sengupta, graduated in 2005. Thesis: Essays on Market Design.
20. Andriy Zapechelnjuk, graduated in 2005. Thesis: Bargaining with a Bureaucrat.
21. Ming-Hung Weng, graduated in 2006. Thesis: Essays on Patent Licensing
22. Alejandro Barrachina, graduated in 2012. Thesis : Industrial Espionage
23. Zhen Xu, graduated in 2013. Thesis : Optimal Fees for Sale Online
24. Hila Tahar Itzhak, graduated in 2013. Thesis: Modeling and Designing Advertising Agencies' Compensation Systems: A Game Theoretic Approach
25. Artyom Jelnov, graduated in 2014. Thesis: Voting Power and Proportional Representation of Voters
26. Biligbaatar Tumendemrrel, graduated in 2014. Thesis : Third Price Auction

List of Publications:

A. BOOKS

1. E. Artzy, D. Leibovitz, Y. Tauman: Window to Mathematics (1978), Everyman's University (12 units in Hebrew).
2. R. Aumann, Y. Tauman, S. Zamir: Game Theory (1981) Everyman's University (6 units in Hebrew).
3. T. Ichiishi, A. Neyman, Y. Tauman (Eds.): Game Theory and Applications (1991). Academic Press, Inc. A collection of articles presented at the International Conference on

Game Theory and Applications held at The Ohio State University, June 18-24, 1987.

B. ARTICLES

1. A. Neyman, Y. Tauman "The Existence of a Non-Diagonal Axiomatic Values" Mathematics of Operations Research 1, 1976, 246-250.
2. Y. Tauman "A Non-Diagonal Value on a Reproducing Space" Mathematics of Operations Research 2, 1977, 331-337.
3. A. Nyeman, Y. Tauman "The Partition Value" Mathematics of Operations Research 4, 1979, 236-264.
4. Y. Tauman "Value on the Space of All Scalar Integrable Games" Game Theory and Related Topics North Holland Publishing Company, 107-115, 1979.
5. Y. Tauman "Values on a Class of Non-Differentiable Market Games" International Journal of Game Theory 10, 1981, 155-162.
6. L. Mirman, Y. Tauman "Valuer de Shapley et Repartition Equitable des Couts de Production" Cahiers du Seminaire d'Econometrie 23, 1981.
7. Y. Tauman "Values of Market Games with a Majority Rule" Game Theory and Mathematical Economics, North Holland Publishing Company, 103-122, 1981.
